Ordinary Procedure

This diagram shows the *Ordinary Legislative Procedure*. This is the standard way for making laws in most cases. For special situations there are other procedures.

The diagram shows the core steps. Various details such as deadlines for each step, important decisions, other institutions who may intervene, etc. are not shown.

A more detailed, written description of the procedure is available at <https://www.consilium.europa.eu/en/council-eu/decision-making/ordinary-legislative-procedure>
