Institutions of the EU

European Commission

5 new laws

Each country sends one commissioner

European Central Bank – ECB

The ECB is an independent bank for the countries using the Euro as their currency.

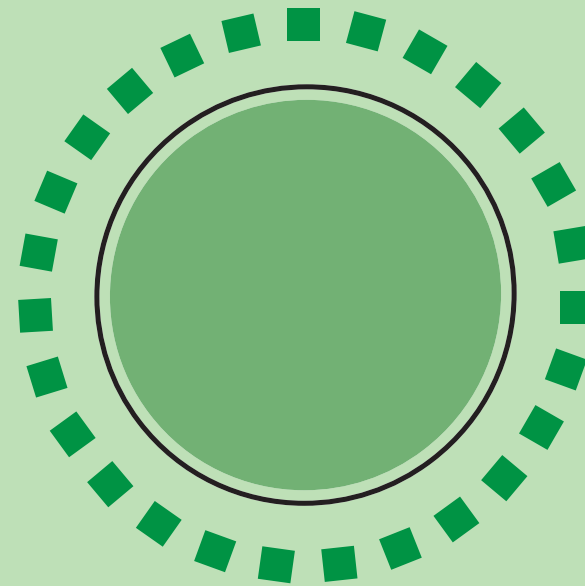

For example it decides how many euros to print.

Heads of governments of member countries meet.
They decide about the larger objectives of the EU.

Council of Ministers

Council of the European Union

Ministers of member countries meet, according to
their topics of responsibility. They decide on new laws

Suggests

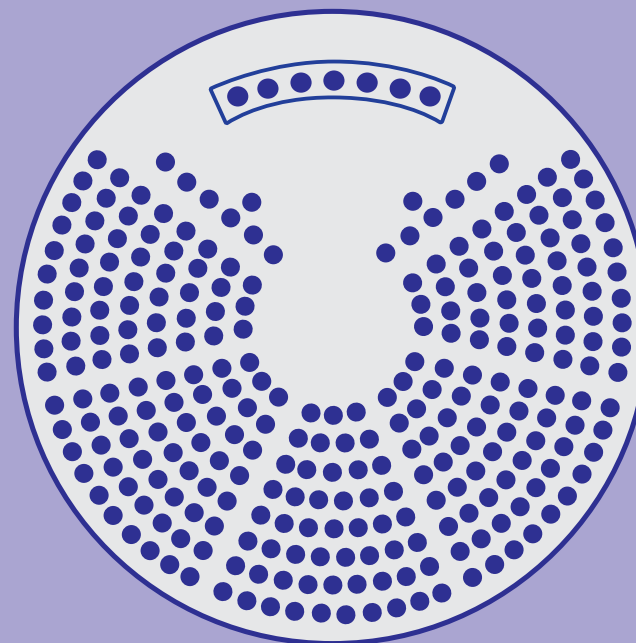

Each country sends one commissioner.
Each commissioner is responsible for a topic.
They make sure that laws are being followed.
They propose and draft new laws.

Deciding
on laws

European Parliament

Elected representatives of the citizens. They decide on

European Court of Auditors – ECA

The ECA makes sure the EU's accounting is correct. It checks revenues and spendings.

Court of Justice of the EU – CJEU

The CJEU is the court of the EU. It decides when there are legal disputes regarding EU law. National courts refer questions of EU

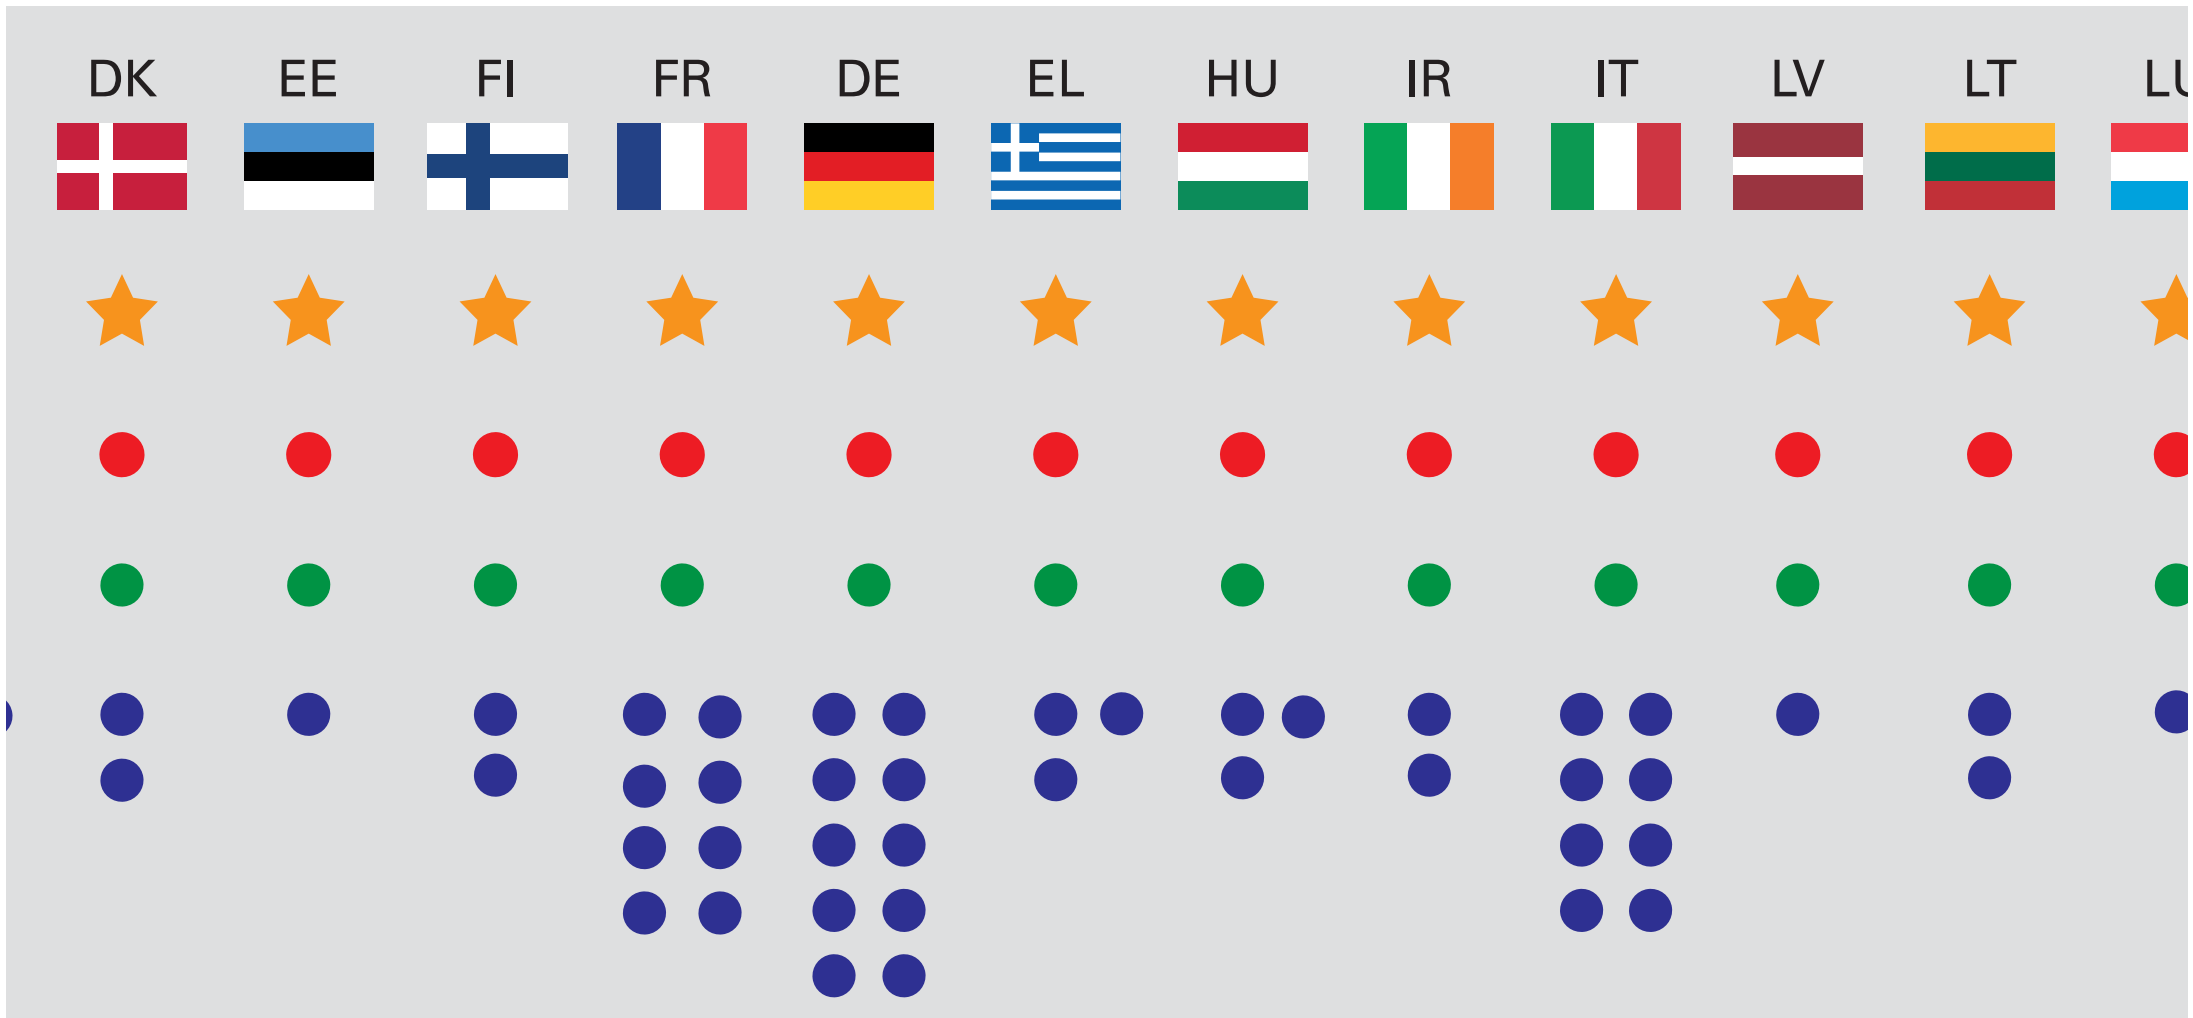

their topics of responsibility. They decide on new laws,
together with the European Parliament.
